**Hekima Safaris**  
**Tour Itinerary**  
**2 Day Safari Tarangire & Lake Manyara**

**Day 1 Arrival**

The group arrives at Kilimanjaro Airport (JRO). Participants are met by a representative of Hekima Safaris and transferred to a hotel in Arusha

**Day 2 Tarangire**

In the morning after breakfast (around 7:30 AM) your safari guide will arrive at the hotel and inform the receptionist that he is waiting for you. After meeting up with your driver you will travel to Tarangire National Park, and by 10:00 AM you will already be on your first safari!

In this park you have the chance to see lots of wild Tanzanian animals (lions, buffaloes, giraffes, zebras, etc.), but above all else it is famous for its astonishing number of elephants, who typically tend to stay close to their drinking source, the Tarangire River. You should be aware that this is wild nature, so the guide cannot make any guarantees on the presence of specific wild animals, but you can be sure he will do his best to find everything you're looking for!

At lunch time you will be provided a meal, after which the safari will continue. In the evening you will be transferred to the lodge/hotel for dinner and for the rest of the night.

**Additional notes:**

This is your first day on safari, so we ask that you please pay special attention to the national park's visitor rules and our company recommendations.

- During the safari it is strictly prohibited to exit the vehicle, except for in specially designated areas. Violations of this rule may be accompanied by large fines for the company, including the revocation of its license.
- Off road driving is also prohibited, as such behaviour may cause irreparable damage to the fragile balance of the natural ecosystem.
- During the safari you are allowed to smoke, but be extremely careful about how you extinguish and dispose of cigarette butts, as they are a frequent cause of fires in the savanna.

- In addition, we sincerely request that you not put your feet on the safari car's seats, nor sit on the back of them, because this type of behaviour quickly makes the cars unusable.

Thank you in advance for your understanding.

### **Day 3 Lake Manyara**

Early wake up time, breakfast and travel to Lake Manyara. The entire territory of this park is cut through with ground water streams that provide a favourable environment for plants and, in addition, for a multitude of birds (including pink flamingos) and African forest animals.

Around lunchtime you will visit the Maji Moto hot springs and the driver will provide you with personal lunchboxes. After this stop the safari will continue, and by evening you will be transferred back to the hotel in Arusha.

### **Day 4 Departure**

Rest in the hotel and transfer to the airport.
