Hekima Safaris
Tour Itinerary
4 Day Safari Serengeti National Park

Day 1 Arrival

The group arrives at Kilimanjaro Airport (JRO). Participants are met by a representative of Hekima Safaris and transferred to a lodge at Mto wa Mmbu, where you will have dinner and overnight ready for the next day to begin your safari inside Serengeti National Park.

Day 2 Northern Serengeti

In this park you have the chance to see lots of wild Tanzanian animals (lions, buffaloes, giraffes, zebras, etc.)

You should be aware that this is wild nature, so the guide cannot make any guarantees on the presence of specific wild animals, but you can be sure he will do his best to find everything you're looking for!

At lunch time you will be provided a meal, after which the safari will continue. In the evening you will be transferred to your accommodating place

Additional notes:

This is your first day on safari, so we ask that you please pay special attention to the national park's visitor rules and our company recommendations.

- During the safari it is strictly prohibited to exit the vehicle, except for in specially designated areas. Violations of this rule may be accompanied by large fines for the company, including the revocation of its license.
- Off road driving is also prohibited, as such behaviour may cause irreparable damage to the fragile balance of the natural ecosystem.
- During the safari you are allowed to smoke, but be extremely careful about how you extinguish and dispose of cigarette butts, as they are a frequent cause of fires in the savanna.
- In addition, we sincerely request that you not put your feet on the safari car's seats, nor sit on the back of them, because this type of behaviour quickly makes the cars unusable.

Thank you in advance for your understanding.

Day 2 Central Serengeti

After breakfast you will start the safari by being transferred to the central part of the Serengeti (also called Seronera). Here your driver will try to find the animals you're the most interested in. Closer to lunch time you will visit the Serengeti Visitor Centre, where you will be offered a lunchbox and provided with lots of interesting information not only about the animals' populations, but also about the history of the National Park. Also, in this area you will be able to see hyraxes, which are the elephant's closest relatives. It is difficult to describe in detail all the animals of the Serengeti valley, for they number in the thousands: elephants, buffalo, ostriches, giraffes, jackals, hyenas, lions, antelopes, leopards and cheetahs—just keep your eyes peeled and enjoy the nature around you. In the evening you will be transferred to your accommodating place, where you will have dinner and be able to rest.

Day 3 Serengeti Valley

After breakfast in the morning you will begin your safari in the eastern and southern parts of the park. The greater part of these areas is a savanna with wide open spaces, which provides a likely opportunity to see cheetah hunting antelopes. Lunch boxes will be served during the game drive. After having your lunch inside the park, you will begin journey back Arusha while continuing with your game drive on the way out.
