Hekima Safaris

Tour Itinerary

6-Day Intense Kenya Experience

Day 1 Arrival

The group arrives at the Airport. Participants are met by a representative of Hekima Safaris and transferred you to your place of accommodating.

Day 2 Maasai Mara Game Reserve

The Masai Mara National Reserve has vast acacia-dotted plains, ox-bow lakes and spectacular escarpments. It's where the movie 'Out of Africa' was acted. The animals are the stars of the show, providing drama and intrigue against a backdrop of spectacular scenery. You might notice a Maasai moran standing on one foot herding hundreds of cows or shepherding goats and sheep while holding a single stick or a spear.

In the evening, relax and enjoy the beautiful sunset outside at the camp. Later on, you'll enjoy a delicious diner at the camp. [Ol Moran Tented Camp](#)

Day 3: Maasai Mara National Reserve

After an early breakfast, you will have a full day in the Masai Mara National Reserve. Your guide will use it in search of the big cats of Masai Mara and the spectacular view of the famous migration. During game viewing remember to keep a sharp lookout. You may witness a dramatic hunt, a solitary leopard retrieving its kill from the high branches of an acacia tree, or a herd of elephants protecting their young from predators. You will have a break at one of the many rest camps to enjoy lunch. Afterward, you'll continue with your adventurous journey around Masai Mara. Dinner will be served at your camp in the evening. [Ol Moran Tented Camp](#)

Day 4: Masai Mara National Park to Lake Nakuru National Park

Breakfast will be served at your lodge before boarding the safari vehicle and driving overland to Lake Nakuru National Park. Lake Nakuru is a shallow alkaline lake famous for its flamingo and rhino populations. It's estimated to have more than a million flamingos and bird watchers call it a birds paradise. You'll arrive in time for lunch and a siesta thereafter. You will then depart for an afternoon game viewing drive. Later on, you'll get back to the camp before sunset.

In addition to flamingos, the lake draws more than 450 species of birds. There are no elephants in the park but the other Big Five can be spotted including tree-climbing lions. Animals that thrive in the dry land surrounding the lake such as Rothschild giraffe, Cape buffaloes, waterbucks, gazelles, leopard and primates can also be spotted. Your dinner will be served at the beautiful camp after an exciting day. [Flamingo Hill Camp](#)

Day 5: Lake Nakuru National Park to Amboseli National Park

After breakfast, we will depart by road and return to Nairobi. We'll then proceed through Kamba and Maasai land dotted with circular houses and few shopping centers en route to Amboseli National Park. The park is situated at the foot of the highest mountain in Africa, Mt. Kilimanjaro. It is the highest free-standing mountain in the world. You will arrive at the camp in time for lunch and get to enjoy a few leisure hours. You'll then depart for an afternoon game drive.

The park has large herds of wildebeest, zebras, elephants, giraffes, lions and a variety of other animals and birds. They are attracted to this park due to its permanent supply of water from Mt. Kilimanjaro's melting snow. The elephant population in the Amboseli is one of the few that have been able to live undisturbed. Amboseli's elephant families have been studied by world-renowned researcher Cynthia Moss.

You will be served dinner at the camp. [Kibo Safari Camp](#)

Day 6: Amboseli National Park

We planned for you two full days in Amboseli National Park. Your guide will focus on the search of the big cats and elephant families of Amboseli. Early in the morning is the perfect time to catch a glimpse and photograph the highest peak of Mt. Kilimanjaro. After the morning game drive, you will return to the camp for breakfast and lunch. Here you'll have some rest and relaxation, sunbathing and swimming.

In the afternoon you will depart for an afternoon game viewing drive in search of the huge herds of elephants. Your dinner will be served back at camp. [Kibo Safari Camp](#)

Day 7: Amboseli National Park

You will enjoy morning and afternoon game drives. You'll also have a chance to meet the Maasai people during your stay in the Amboseli. They are tall and proud nomadic warriors. Their legendary prowess in battle and single handed acts of bravery in fights with wild animals have spread across the world. Their diet is a simple one, consisting mainly of meat, milk and the blood of cattle mixed with milk. A visit to their village reveals the singing and dancing that are part of their daily lives and sacred rituals. A glimpse into their homes and social structure is a memorable experience. The Masai people live in close harmony with the environment and the animals that surround them. In the evening, you will have the last chance to enjoy the amazing scenery of Amboseli National Park at transfer to your hotel in Nairobi town. [Ibis Styles Nairobi Westlands](#).
